"The attitude and capacities required of community leaders are the attitudes and capacities required in our home, our families, our neighborhoods, our schools, our places of worship, our work place---our world."

Mary Jo Clark
Pat Heiny
Contemporary Consulting

"There is no shortage of citizens wanting to volunteer and help tackle community problems in this country. The challenge is to help those who want to make a difference more effectively direct those efforts."

Suzanne Morse,
Pew Partnership for Civic Change

"Leadership can be thought of as a capacity to define oneself to others in a way that clarifies and expands a vision of the future."

Edwin H. Friedman

A
