"The Institute for Creative Leadership experience is almost magical in the way it affects people. Participants are immersed in an intense process of self-discovery

surrounded by a diverse, supportive group of people who are determined to make a real difference in our community. For most of us, that is a rare and wonderful thing. The collective positive energy, creativity, and passion of such a group is a powerful catalyst for change."

A COMMUNITY OF LEADERS IS ESSENTIAL TO WAYNE COUNTY

THE BASICS

Who should attend:

Those who want to make Wayne County a better place, improve

their leadership skills, and learn more about creating effective teams; and those who are interested in building consensus and collaborations, making organizations work, and making a difference... EVERYONE!!

This intensive workshop will help you understand what makes an effective community, discover your gifts and talents while learning to create & work in performing teams, transforming challenges into possibilities.
