Project/Program information

Project/program title:

Total project cost: \$

Amount requested: \$

Project start date:

Project completion date:

Describe your program/project including its impact on the community and the number of people who will be served.

Are you collaborating with others on this project/program? If so, who?

What is the total project cost?

Provide a brief description of how the amount requested relates to the total project cost and what expenses a grant would cover.

Explain how you will raise additional money needed for this project and list other sources of funding for the program/project (received or anticipated).

What percentage of your board supports your organization with a financial gift?

In addition, please provide the following:

- a current budget for your organization and your project
- a list of your current board members

Grant applications are due September 17.
