Dear Jane:

I guess lightening can strike twice in the same place. The staff of Whitewater Community Television would like to congratulate you on being the **Producer of the Year** on WGTV, Channel 11 for your work with **Wayne County Connection**.

**Wayne County Connection** has continued to provide interesting information and topics about Wayne County during the past year and for that we thank you. The staff appreciated the diversity in the topics you choose (not just focusing on education or government or the non-profit sector) and thus continuing to bring new and different viewers to the program.

We would like to award you a certificate at our annual meeting which will be held Tuesday, September 23, 2014 at 5pm in the WCTV studio (think you can find your way). This meeting will be a first for WCTV as we will broadcast live this event on WCTV, Channel 21. We ask that you arrive by 4:50 so that we might begin on time. Having been through one of these before, you know that we will respect your time and strive to make this meeting an hour or less.

Thank you for your willingness to continue working to provide quality programming to the residents of Wayne County via our Public, Education & Government (PEG) access center.

Sincerely,

Eric Marsh, Executive Director  
Whitewater Community Television
